Bismillahir Rahmaanir Raheem

The last few days have been interesting. Almost a week of constant side effects from the 25mg Risperdal consta.

Could have been because I have been taking herbal medicine for about a week.

It really purified my

body. The ambulance was here about 3 hours ago. They did physical observations on me, including an ECG.

My medical team should be coming today.

My car package should be starting off in Shaan Allah I have been having audio hallucinations, agitated as and confusion states as part of my side effect on the Risperdal consta 25mg injections.

I think also my spiritual levels have heavily increased. I have been listening to a few of the Names (affinities) of
